24hr Checkpoint – 11 & 12th July

The club has once again been asked to run a control at this years 24hr Trial. The team that has been led by Jeanette, Judy & Carol have once again agreed to take this on. More details will follow closer to the event.

Non- Competitive – Ride Days

A number of ride days are planned across 2020 with the details still being finalized.

Working bee

There will be a working bee held on Sunday 1st March 10am at our club rooms. We need to prep for the season by sorting all our markers and bunting, signs etc. The clubrooms could also do with a bit of TLC. So, if your available please head out and feel free to bring gloves, whipper snipper etc.

Lunch and refreshments will be provided.

Any questions please feel free to contact Colin 0414904299 or Wes 0438824614

Publicity Officer.

The publicity role is currently vacant. If you know of somebody who may be will to take this role on please let Wes know. Part of this role is a contribution to the monthly club bulletins (Like your reading now). Whilst every effort will be made to ensure that all our members are kept up to date there maybe instances where the bulletin may be delayed due to other commitments.

Mylaps & Transponders

Towards the end of 2019 the club was able to purchase a MyLaps timing system at a reduce rate through the grass roots program. This means as club we now have the ability to utilise this at our events.

We also have transponders available to our members at the cost price of \$160.

If you would like to purchase one please email

secretary@Gawlermcc.com.au.

The 2020 committee

To mix things up a little our AGM was held in January this year. We would like to thank everyone for their support across 2019 and would also like to thank the new committee for stepping up.
